Dear Patient:

We would like to take this opportunity to welcome you to our practice. Our goal is to provide the most comprehensive care possible. Early diagnosis and treatment of dental problems help maintain good oral health for life. We ask that you make a conscious effort toward good oral health and keep your recommended appointments for regular check ups. Because your time is very precious to us, when your appointment(s) are scheduled we make sure to set aside the necessary time just for you. However, emergencies do arise and we try to accommodate them as needed. To keep our schedule efficient, our office requires that a 24 hour notice be given for cancelled or rescheduled appointments. An office visit fee of \$30.00 per half hour of the appointment time will be charged if a 24 hour notice is not given. If you have not been seen in the office for over three years, you would no longer be a patient of record. This would affect you for emergency coverage or if we are no longer accepting new or reestablishing long ago patients at the time you want to make an appointment.

For those patients who have dental insurance, as a courtesy, we will bill your insurance company. **We are NOT IN-NETWORK with any dental insurance companies.** Your Dental insurance is a contract between you and your insurance company. We will be happy to submit claims to your insurance company and help with any processing needed. Any remaining balance will be the patient's responsibility and due at the time services are rendered.

We look forward to working with you in maintaining your dental health. Thank you for your trust and confidence.

Thank you,

Dr. Davey and Staff

** All insurance companies have different plans. Frequency limitations, fee allowances, deductibles, and maximums vary. We will be happy to answer any questions that will help you in understanding your insurance plan.
